### ONE YEAR LIMITED WARRANTY ON WHOLE HOME WATER FILTER SYSTEM (except filter cartridges)

Warrantor guarantees, to the original owner, that the Whole Home Water Filter System, when installed and maintained in accordance with the instructions, will be free from defects in materials and workmanship for a period of one (1) year from the date of purchase. If, within the first year, a part proves, after inspection, to be defective, Warrantor will, at its sole option, either replace or repair the part without charge except normal shipping and installation charges. Labor to maintain the equipment is not part of the warranty. Filters, which are expendable, are not covered by the warranty.
